Introduction

This document will guide you while you execute the On Campus Program for the E-Summit 2019 IIT Roorkee. We have outlined the required criteria and the set of guidelines to be followed for completing the programme completely.

We encourage you to be creative and come up with innovative ways to accomplish each of your objectives. Let's Begin!

02

About E-Cell

The Entrepreneurship Cell of IIT-Roorkee, previously known as Entrepreneurship Development Cell IIT Roorkee (EDC IITR), has been established with the objective of creating, fostering and promoting the spirit of entrepreneurship among the youth of the nation. Created in the early months of 2006, the Entrepreneurship Development Cell has already taken rapid strides in cultivating entrepreneurial temper and has succeeded in carving a niche for itself. It wants not only to ignite the minds but also to nurture the ideas of one of the most talented students of India. E-Cell IIT Roorkee is committed to build a strong platform for budding entrepreneurs. The vision is to guide the students to take entrepreneurship as a career, as a path to success, as a journey of wisdom.

03

About E-Summit

E-Summit is the flagship event of E-Cell IIT Roorkee. This entrepreneurial festival aims to foster the zeal of entrepreneurship not only among the students of IIT Roorkee but also the external participants from other colleges. E-Summit will include Startup Internships/Expo, VC lounge, Business Conclave, Panel Discussion, Networking Meets, Mentoring Sessions, Internship Fair, Competitions, Workshops and many more events aimed at developing an entrepreneurial aptitude among the participants. E-Summit will witness the presence of eminent entrepreneurs, budding professionals, mentors, angel investors, venture capitalists, and students from different domain across the globe.

Campus Ambassador Programme (CAP)

The CAP (Campus Ambassador Programme) is a pinion initiative of E-Summit IIT Roorkee, 2018 organized by the Entrepreneurship Cell, IIT Roorkee and aims to amplify our purview to newer horizons. We aspire to increase our outreach to as many students as possible throughout the country and spread the spirit of entrepreneurship to similar extents.

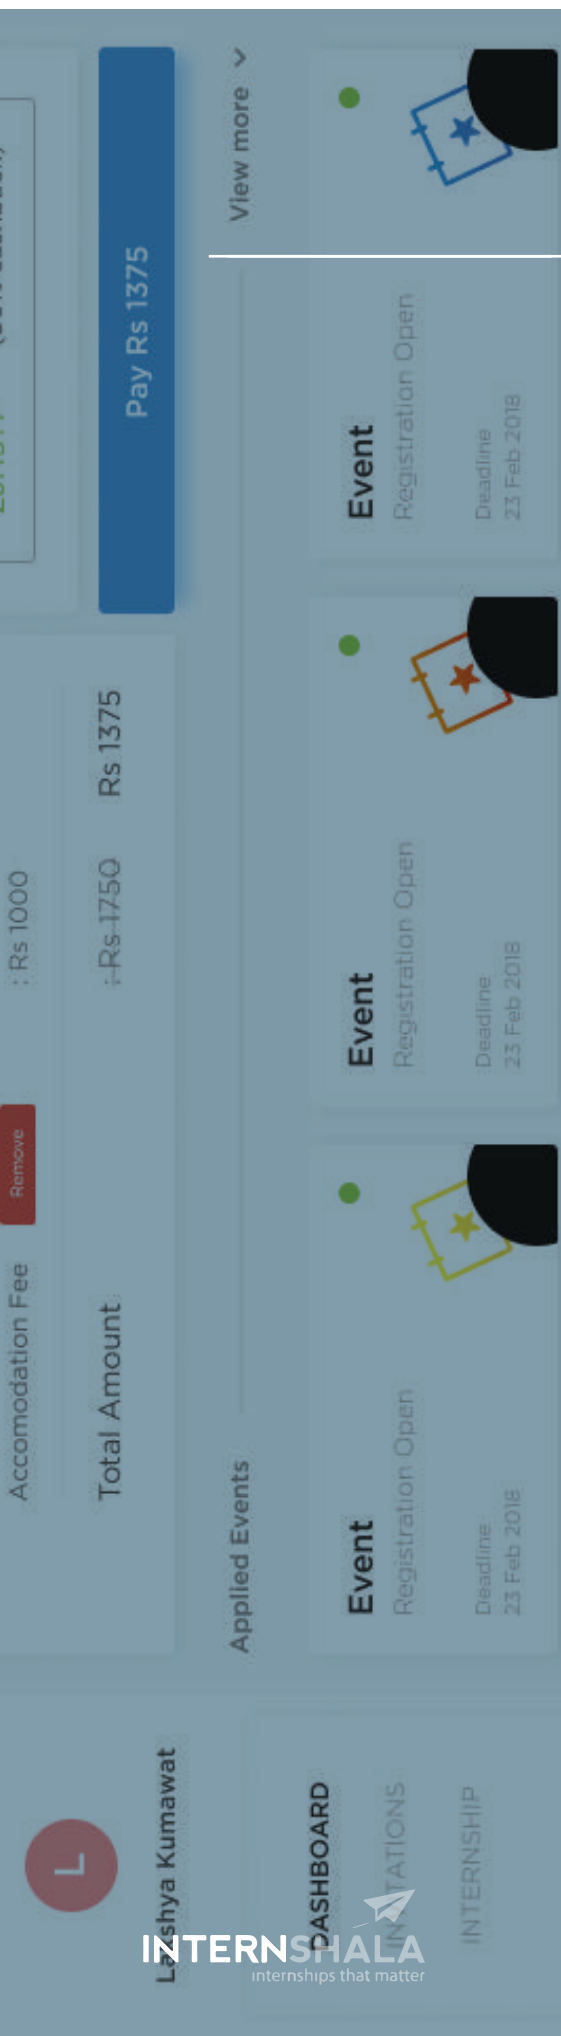

This year E-Summit IIT Roorkee brings with it loads and loads of colossal opportunities for the participating students and exciting perks for the Campus Ambassadors . The students selected as the Campus Ambassadors would bear the flag of E-Summit IIT Roorkee in their respective colleges with the aim of helping us to promote E-Summit among the students of their colleges. The selected Campus Ambassador, in his entire tenure, would be actively interacting with E-Cell IIT Roorkee about the available opportunities and requisites for promotions.

Who all are chosen as the Campus Ambassador?

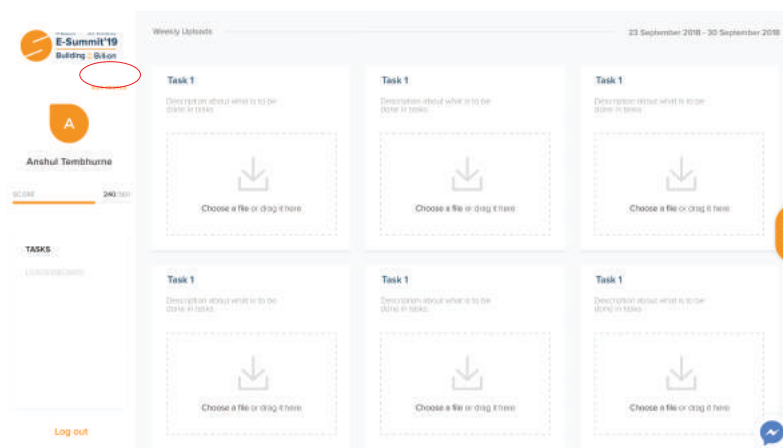

Campus Ambassadors are forward-thinking, ambitious, optimistic college students who have demonstrated through action a desire to represent the E-Cell IIT Roorkee and the ideas for which it stands on in the campus of IITR. They are passionate, intelligent, and entrepreneurial. They are problem-solvers and opportunity creators. They know their campuses better than anyone else, and can find ways to cooperate with other groups or act independently to spread the culture of entrepreneurship in their campus.

LET'S UNDERSTAND WORK

You must have realized becoming a Campus Ambassador is not that easy. With the position, comes the responsibility. Thus you definitely need a tool to manage all your activities and so understanding the functioning of your dashboard is of supreme importance to your job as the Campus Ambassador. Let's look at a brief outlook of how your dashboard looks on first glance-

1. The left side of the dashboard contains personal information about the CA with a profile picture, name and your score. In order to view or edit your complete profile select 'View Profile', then 'Edit Profile' and you can change your profile details. The left side also contains a leaderboard showing the list of top 10 performing CAs registered with us.

4. The center-right part has an 'updates' tab for announcements to all CAs regarding the latest developments or the changes in the schedule.

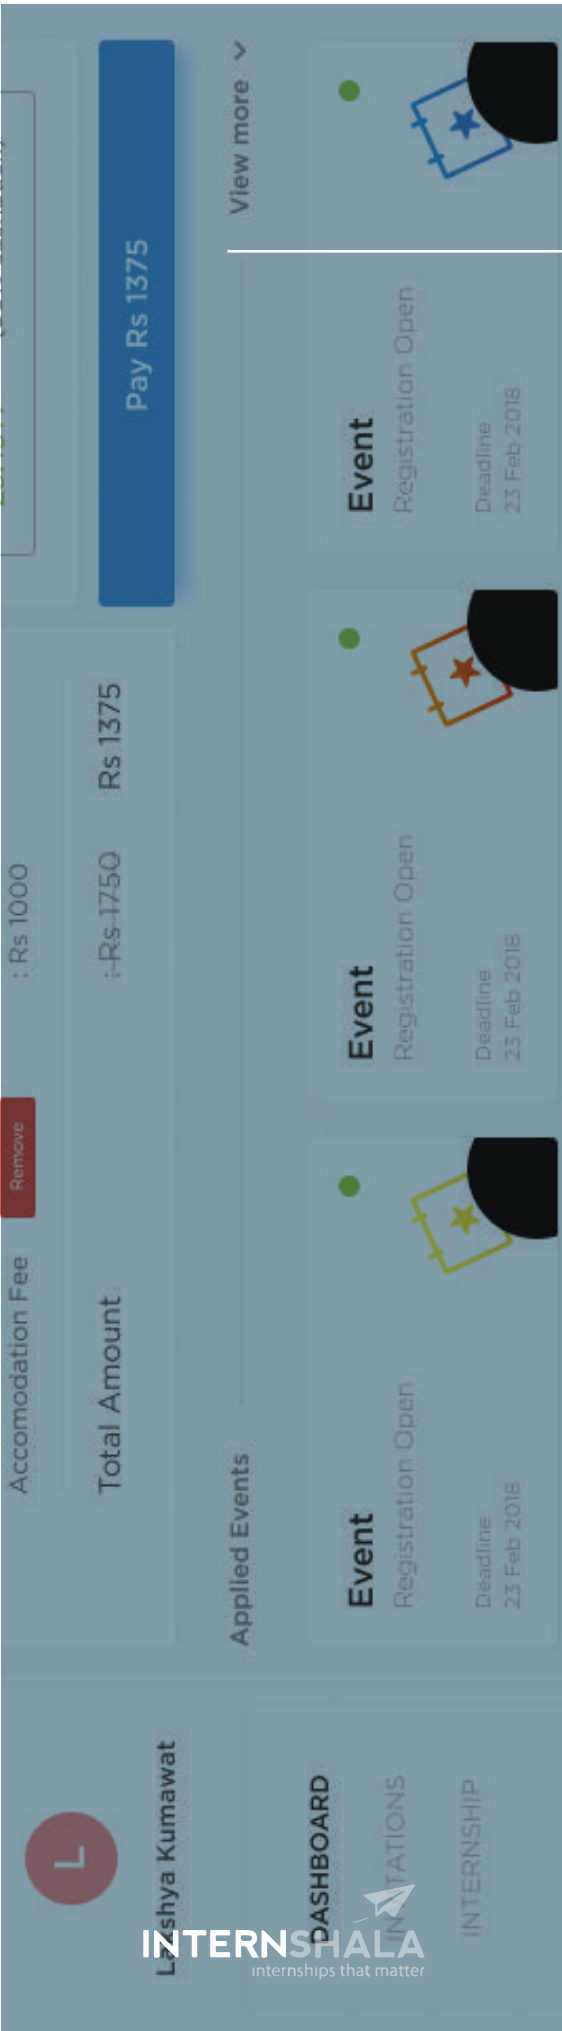

How to upload the screenshot?

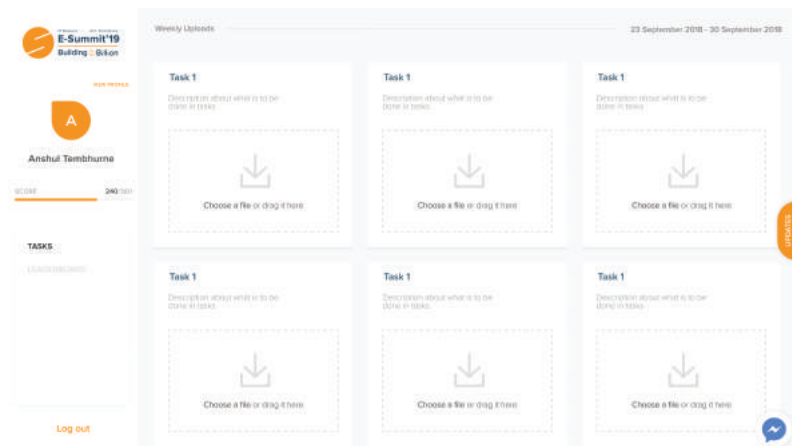

You must have realized by now that in order to make the most of the points system, you need to upload the screenshots of almost every task you perform. Here are the guidelines you need to follow in order to upload the same -

1. Visit the facebook page or post using which you wish to claim your points.
2. Take screenshot of the post.

3. Open your dashboard. Choose the post you wish to upload and drag it on your Dashboard.

5. In order to upload an Excel sheet or Word doc or any other file type, choose the file and drag it on your Dashboard similar to what you have to do above.

AWARD SYSTEM

As a Campus Ambassador, you will be provided with a dashboard to monitor and keep a track on all your activities. We would also be provided with a chatbot for you to communicate with us. Furthermore, you would be given a coupon code that would solely belong to you.

The points would be awarded according to the set criteria which would automatically get updated on the leaderboard. The rules are-

1. For each 'Like' on a given post you share on Facebook, you will be awarded with 2 points.
2. For each 'Like' on our Facebook page, you will be awarded 1 point. In order to claim your awarded points, you are required to invite all of your connections or contacts. Further, a screenshot of the number of 'Likes' of your invites must be shared with us.
3. For each share of the official E-Summit poster, you will be awarded with 5 points.

4. As a Campus Ambassador, you will be given a unique ID which you can forward to your contacts. They are required to fill in the ID of the Campus Ambassador by whom they were referred to. As such, for each successful registration using your unique link/ID 15 points will be credited to your unique coupon code.
5. For each successful payment made using your unique coupon code, you shall pocket 60 points.
6. For each startup and their alumni contact in the database you have provided us with, you will be awarded 10 points i.e for every 10 startups you referred to, you will be awarded a total of 100 points.
7. Apart from start-ups, you are required to submit a database of students from your college or elsewhere. For every 10 entries you provide, 30 points will be awarded to you.
8. While the databases of the students are most welcome, but that of E-Cell members of the college would reap you more rewards. Here, for every 10 entries, you will be awarded 50 points.
9. For each insta story mentions(@ecelliitr) you will be awarded 5 points. In order to claim these points, after 20 hrs, a screenshot of the same should be up

loaded on the dashboard for this. Additionally, if the screenshot is uploaded including the number of views, an additional 5 points will be rewarded, amounting to total of 10 points.

You are basically required to get people to upload their pictures, wherein they are required to hold a placard. The points would be allotted based on what the placard reads :-

- a) "I am Interested in E-Summit" placard earns you 5 points.
- b) "I have registered for E-Summit" placard earns you 10 points.
- c) "I am attending E-Summit" placard earns you 20 points respectively.

10. For each hashtag mention (#) you will be awarded with 5 points. Upload the screenshot of the mention on your dashboard for tracking.

11. Contingent model point system-

In this system, a group of 5 or more will be treated as a contingent. These contingents can be formed amongst themselves. Every contingent will have a

team leader or representative. While all members of a contingent, leaders including, are required to register per-se, the leaders needs to register their contingent as a whole separately at a later stage. In case you, as a CA, yourself come with a contingent being the leader, 100 points will be awarded to you straight-away. In case you have referred and thus are sending a few contingents on their way, the points you receive depends on the number of members in the contingent.

Here's how-

- a) For a contingent of 5 members, 100 points will be awarded.
- b) For a contingent of 5-10 members, 150 points will be awarded
- c) For a contingent of more than 10 members, 200 points will be awarded.

12. A number of events will be organized during the E-Summit, which are open to participation for all contingents. If a given contingent goes on to win a particular event, the entire team will be awarded points. The number of points will vary from event-to-event and will be disclosed at a later stage.

*For a month your supreme task would be to make databases and complete all the social media tasks.

The point system for registration starts only when the registration portal gets live and same goes for payment portal.
